YOUTH WITH A MISSION

Join a Missions Movement

You're part of a story. Youth With A Mission began in 1960. Since then, millions of young people have completed their Discipleship Training School (DTS). But there's still work to do.

YWAM North Cascades

Be part of the story God is writing now. YWAM North Cascades seeks to **mobilize young people** to the **unreached** people of the world, and we need your help.

MOBILIZATION - YOUNG PEOPLE - UNREACHED

RAISE MONEY FOR YOUR DTS

The time to go is now, but one of the biggest barriers to joining missions is finances. We don't want that to stop you!

We all need a team, and it takes effort to build one. God often uses his people to fund missions, we'll support you as you build your team.

5 Steps to Start

1. Pray
2. Make a List
3. Invite
4. Follow Up
5. Keep in Touch

1. PRAY

Begin by spending time with God to get His heart for DTS and ministry. Pray throughout the whole process, and ask God to help you build up your support team. If you don't know where to start, try this prayer.

*Jesus, Son of God, you are before all things,
and you hold all things together.
We are held by you.
I am held by you.*

*Father, I remember your faithfulness
and provision of the past.
I lift my eyes from my circumstances and look on the
God who holds all things.*

*Holy Spirit, grant me the grace to trust what you have
spoken to me.
Grant me the wisdom to pursue your ways.
Grant me the patience to wait for your timing.*

God, do the work I cannot.

Amen.

2. MAKE A LIST

Relationship-based support is foundational to YWAM. Write down everyone you think could be a financial supporter for this season.

3. INVITE

Be clear in your ask; people want to know what you need. It can be scary, but more often than not, the people you ask will be kind. You might even be surprised by who says yes!

4. FOLLOW UP

People are busy and sometimes forget to respond. Remember, God invited you to DTS; you're inviting people to partner with that vision! Your invitation offers people an opportunity to contribute to God's work in the world.

5. KEEP IN TOUCH

It's important to regularly update your supporters; include them in what God has been doing. You can also ask them how you can be praying for them. Remember, they are equally part of God's story.

YOU CAN DO IT!

We believe in you! Taking that first step can be hard, but it will be worth it. Give us a call or send us an email, and we will be happy to look over your invitation letter or pray with you in this process.
